QND Computer Science Day 11

Mr. Schmidt

Agenda

- Recap
- TextField
- Images (briefly)
- Guess My Number Game

Images

- Drag an image into Swift Playgrounds

- Some funny business with formatting

```
Image("my-cool-image")
    .resizable() // allow image to be resized
    .aspectRatio(contentMode: .fit) // prevent squashing
    .frame(width: 500) // Set a maximum dimension so it does not fill the screen
```

Guess My Number Game

- For a grade!

- Two checkpoints

- Example code on my website
