QND Computer Science Day 5

Mr. Schmidt

Today

- Recap
  - Nested ifs
- Adventure Game Project

Adventure Game

- Plan out your story on paper!

- Refer to my example on the website (but don't copy!)

My Example

- Escaping quotes with `\"`

- Nested Ifs

- `console.write("")` for empty space

Requirements

- Give the user some story and a simple choice
- Use nested `if` statements to `console.write` what happens next
- You can have more than 2 options at each choice!
- 3 choices total, minimum
- Be creative!
- *Keep it appropriate*

Expectations

- If we're working hard...
    - We can have more time on Thursday
- If we're not...
    - It will be due tomorrow

If you finish early...

- Expand your story using `else if` or more nested `if`s!

- **Test and help your neighbors!**

- Explore other Swift Playground lessons

- Work quietly on other homework
