QND Computer Science Day 16

Mr. Schmidt

Today

- Last Day of Coding

Expectations

- Let's make good use of time today
- Polish your project, or use what you've learned to make something new!
- Submit your code at the end of class

Tomorrow

- We'll do a show and tell of everyone's projects
- Present *either* your turtle project or your AI Studio project
- Informal -- I will show your project and maybe ask some questions
- Make sure your project is something you're proud to share!

Project Submission

- Use the Share button
- Make sure to make it publicly viewable!
